## **Nawkaw Midwest Holds Training Certification**

*Nawkaw Midwest held training certification this month for crew members, crew chiefs and licensed territory owners.*

**Chicago, Illinois (Nawkaw Midwest) May 18, 2007** - Nawkaw Midwest hosted annual training Certification for Nawkaw Crews and Crew Chiefs. The event, held earlier this month at Nawkaw Corporation's Midwest Office in Chicago, gave over 45 attendees the opportunity to train and become certified using Nawkaw concrete and masonry stains and application procedures. The event also offered unlimited access to Russell Gray, CEO of Nawkaw Corporation.

Presentations were also made for scaffolding safety procedures as well as cleaning and restoration products for masonry and concrete preparation. A color match competition was held, giving each regional team the chance to prove they were the best at masonry color blending with Nawkaw's line of proprietary stains. The first place team was Nawkaw Southeast, with Nawkaw Midwest teams coming in second and third.

Nawkaw has been growing at such a rapid rate, that plans are underway to make this a required, annual event. International offices represented were Ontario and Quebec in Canada, and included Queensland, Victoria, and New South Wales territories in Australia.

US offices that attended were Nawkaw Midwest, Nawkaw Mid-America, Nawkaw Mid-Atlantic, Nawkaw Northeast, Nawkaw of the Carolinas, Nawkaw Southeast, Nawkaw Mideast, Nawkaw Tennessee and Nawkaw Southwest.
