Dear Mr. Croke:

I am writing to express my appreciation for the work done on the brick at my home. Your employee, Gil, and his fellow workers did an outstanding job matching the existing brick. I had an addition built onto my house and was told that we would be unable to match the existing brick. The brick that was used was very pretty but it looked terrible. I just wanted to cry when the work was done. The mortar as well as the brick was not even close.

Gil came out and made me proud of my home again. He is truly an artist. Thank you so much for a job well done.

Sincerely,
